All University of Richmond students on approved semester study abroad programs are automatically enrolled in the university's Travel, Accident and Sickness Insurance, which is paid in full by the university and covers both medical expenses and accidents for the entire exchange period.

I am currently obtaining the official insurance card from the University of Richmond Center for Global Engagement. I will email it to my OIC coordinator, Mr. Yulin Kuo ([ykuo088@g.nccu.edu.tw](mailto:ykuo088@g.nccu.edu.tw)), before I arrive in Taiwan.
